MANAGEMENT INFORMATION CIRCULAR

This management information circular (the "**Information Circular**") is furnished in connection with the solicitation of proxies by or on behalf of the management of PetroFrontier Corp. (the "**Corporation**") for use at the annual and special meeting of the holders (the "**Shareholders**") of the common shares of the Corporation (the "**Common Shares**") to be held on Wednesday, December 10, 2014, at the offices of Burstall Winger Zammit LLP, located at Suite 1600, 333 - 7th Avenue SW, Calgary, Alberta, T2P 2Z1 (the "**Meeting**") and at any adjournment thereof for the purposes set out in the Notice of Meeting accompanying this Information Circular. Unless otherwise noted, information in this Information Circular is given as at November 5, 2014.

GENERAL PROXY INFORMATION

Solicitation of Proxies

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally, by telephone or other personal contact by directors, officers, employees or agents of the Corporation. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries, custodians, nominees and fiduciaries to forward proxy solicitation material to the beneficial owners of Common Shares pursuant to the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"). The cost of any such solicitation will be borne by the Corporation.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy are officers and or directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than Robert J. Iverach, Q.C. and Shane J. Kozak, the management designees, to attend and represent the Shareholder and act on the Shareholder's behalf at the Meeting.** Such right may be exercised by inserting in the blank space provided in the accompanying form of proxy the name of the person to be designated or by completing another proper form of proxy and, in either case, depositing the form of proxy with the registrar and transfer agent of the Corporation, Computershare Trust Company of Canada. A proxy will not be valid unless the completed, dated and signed form of proxy is delivered to Computershare Trust Company of Canada, Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2T1, by facsimile at 1-866-249-7775, or by internet voting at www.investorvote.com or by telephone at 1-866-732-8683 (toll free within North America) or 1-312-588-4290 (outside North America) not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) preceding the Meeting or an adjournment of the Meeting.

A Shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy, prior to the revocation. A Shareholder may revoke a proxy by depositing an instrument in writing, executed by the Shareholder or by the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney of the Corporation:

1. at the offices of the registrar and transfer agent of the Corporation, Computershare Trust Company of Canada, Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario,

M5J 2T1 (Facsimile at 1-866-249-7775), at any time, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or an adjournment of the Meeting at which the proxy is to be used; or

2. at the registered office of the Corporation, Suite 520, 1011 – 1st Street S.W., Calgary, Alberta, T2R 1J2, at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used; or
3. with the chairman of the Meeting on the day of the Meeting or an adjournment of the Meeting.

In addition, a proxy may be revoked by the Shareholder executing another form of proxy bearing a later date and depositing same at the offices of the registrar and transfer agent of the Corporation, Computershare Trust Company of Canada, within the time period set out under the heading "Voting of Proxies", or by the Shareholder personally attending the Meeting and voting its Common Shares, or in any other manner permitted by law.

Voting Of Proxies

All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting on any ballot that may be called by the persons named in the proxy and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented thereby will be voted or withheld from voting in accordance with such specifications. **In the absence of any such specifications by the Shareholder, such Common Shares will be voted IN FAVOUR of all the matters set out herein.**

The enclosed Instrument of Proxy confers discretionary authority upon the management designees, or other persons appointed as proxyholders thereunder, with respect to any amendments to or variations of matters identified in the Notice of Meeting and with respect to any other matters, which may properly come before the meeting. As of the date of this Information Circular, the management of the Corporation is not aware of any such amendments, variations or other matters, which may come before the Meeting other than matters referred to in the accompanying Notice of Meeting. In the event that other matters come before the Meeting, the management designees intend to vote in accordance with the discretion of the management of the Corporation.

Proxies, to be valid, must be deposited at the office of the Corporation's registrar and transfer agent, Computershare Trust Company of Canada, Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2T1, by facsimile at 1-866-249-7775, or by internet voting at www.investorvote.com or by telephone at 1-866-732-8683 (toll free within North America) or 1-312-588-4290 (outside North America). Proxies must be received not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) preceding the Meeting or an adjournment of the Meeting.

Advice to Beneficial Holders of Common Shares on Voting their Common Shares

The information set forth in this section is of significant importance to many Shareholders of the Corporation, as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares or their proxyholders are permitted to vote at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast

majority of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities Limited, which acts as depository for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The majority of brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically provides a scannable voting instruction form or applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting instruction forms to Broadridge. Often Beneficial Shareholders are alternatively provided with a toll-free telephone number to vote their shares or a website address where shares can be voted. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form or a proxy with a Broadridge sticker on it cannot use that voting instruction form or proxy to vote Common Shares directly at the Meeting. The voting instruction form or proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted at the Meeting.**

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as non-objecting beneficial owners or "**NOBOs**". Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Corporation are referred to as objecting beneficial owners or "**OBOs**".

Pursuant to NI 54-101, the Corporation has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly to all Beneficial Shareholders. The Corporation is not relying on the notice-and-access delivery procedures outlined in NI 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

The Corporation will bear the costs for intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or an agent of the broker), a Beneficial Shareholder who wishes to attend the Meeting and indirectly vote its Common Shares as proxyholder for the registered Shareholder, should enter its own name in the blank space on the proxy form or voting instruction form provided to it and return the same to its broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Beneficial Shareholders should follow the instructions on the forms that they receive and contact their intermediaries promptly if they need assistance.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares, without nominal or par value and an unlimited number of preferred shares, without nominal of par value. As at the Record Date (as defined herein), 79,600,768 Common Shares are issued and outstanding. The Common Shares are entitled to be voted at the Meeting on the basis of one vote for each Common Share held. The Corporation does not have any other class of voting securities.

The holders of Common Shares of record at the close of business on the record date, set by the directors of the Corporation to be November 5, 2014 (the "**Record Date**"), are entitled to vote such Common Shares at the Meeting, except to the extent that: (i) such person transfers ownership of any of its Common Shares after the Record Date; (ii) the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes its ownership to the Common Shares; and (iii) the transferee makes a demand to the registrar and transfer agent of the Corporation, Computershare Trust Company of Canada, not later than 10 days before the Meeting, that its name be included on the Shareholders list, in which case the transferee shall be entitled to vote its Common Shares at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation, other than the following:

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Corporation's directors and officers, the only matters to be placed before the Shareholders at the Meeting are those matters set forth in the Corporation's accompanying Notice of Meeting relating to: (i) the receipt of the audited financial statements of the Corporation for the financial year ended December 31, 2013 and the auditors' reports thereon; (ii) the fixing of the number of directors to be elected at the Meeting at six (6) and the election of the directors of the Corporation for the ensuing year; (iii) the appointment of the auditors for the Corporation; and (iv) the approval of the Corporation's stock option plan.

I. Receipt of Financial Statements

The directors will place before the Meeting the financial statements for the year ended December 31, 2013 together with the auditors' reports thereon.

II. Election of Directors

The board of directors of the Corporation (the "**Board of Directors**" or the "**Board**") currently consists of eight (8) directors, seven of whom were elected at the last meeting of the Shareholders and one of whom was appointed by the board in October 2013. The term of office for each of the present directors of the Corporation expires at the Meeting. It is proposed that the number of directors to be elected at the Meeting, for the ensuing year, be fixed at six (6). At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to be elected at the Meeting, at six (6). **It is the intention of the management designees, if named as proxy, to vote**

FOR the resolution setting the number of directors at seven (7) unless the Shareholder has specified in its proxy that its Common Shares are to be voted against setting the number of directors at six (6).

The Board has adopted an individual voting standard for the election of directors at the Meeting. Under the individual voting standard, in the event that a nominee for director receives a greater number of votes "withheld" than votes "for" his election as a director, the Board shall consider the circumstances of such vote, the particular attributes of the director nominee including his knowledge, experience and contribution at Board meetings and make whatever determination the Board deems appropriate, including without limitation, requesting such director to resign at an appropriate time and advise Shareholders of the Board's decision in that regard. This policy applies only to uncontested elections, meaning elections where the number of nominees for directors is equal to the number of directors to be elected. The Board may fill any vacancy created by any such resignation or determine to leave the resulting vacancy unfilled.

Each director elected at the Meeting will hold office until the next annual meeting of Shareholders or until his successor is duly elected or appointed pursuant to the by-laws of the Corporation, unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (Alberta) (the "ABCA") or the Corporation's by-laws. **It is the intention of the management designees, if named as proxy, to vote FOR the election of each of the persons listed in the table below to the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors.**

Management has no reason to believe that any of such nominees will be unable to serve as directors; however, if, for any reason one or more of the proposed nominees do not stand for election or are unable to serve as directors, the management designees named in the enclosed form of proxy intend to vote for another nominee or nominees, as the case may be, in their discretion, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors.

The following table sets out information in respect of each of the nominees for director of the Corporation, and is based on information received by the Corporation from said nominees.

Cease Trade Orders

To the knowledge of the Corporation, except as disclosed below, no proposed director is, as of the date hereof, or has been within the past ten years, a director, chief executive officer or chief financial officer of any company (including the Corporation) that: (i) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the company access to any exemption under securities legislation and which order was in effect for a period of more than 30 consecutive days while they were acting in the capacity as director, chief executive officer or chief financial officer of such company; or (ii) was subject to any of the foregoing orders for a period of more than 30 consecutive days after he ceased to be a director, chief executive officer or chief financial officer of such corporation and which resulted from an event that occurred while he was acting in such capacity.

Al J. Kroontje was a director of Cobalt Coal Ltd. ("Cobalt") until February 7, 2014. On October 5, 2012, the Alberta and British Columbia Securities Commissions issued cease trade orders as a result of Cobalt's failure to meet a deadline to file an updated technical report, compliant with National Instrument 43-101 – *Standards of Disclosure for Mineral Projects*. The technical report was filed on the SEDAR website on

November 15, 2012 and the commissions issued a full revocation on their respective trade orders on November 27, 2012.

Mr. Kroontje was appointed a director of Kasten Energy Inc. (formerly Kasten Chase Applied Research Limited) the day before the Alberta Securities Commission issued a cease trade order on February 20, 2007 for failure to file its unaudited financial statements for the periods ending June 30, 2006 and September 30, 2006. Mr. Kroontje was not involved with the failure to file the required interim financial statements but rather, was appointed a director as part of the implementation of a restructuring plan. The cease trade order was subsequently revoked on March 28, 2008 as a result of those restructuring efforts.

Bankruptcies

To the knowledge of the Corporation, except as disclosed below, no proposed director of the Corporation is, as of the date hereof, or has been within the past ten years, a director or executive officer of a company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Michael Hibberd was an independent director of Challenger Energy Corp. (“**Challenger**”) from December 1, 2005 until September 16, 2009. Challenger obtained a creditor protection order under the *Companies' Creditors Arrangement Act* (Canada), on February 27, 2009. On June 19, 2009, Challenger announced that it had entered into an arrangement agreement in respect of the acquisition of Challenger by Canadian Superior Energy Inc. On September 17, 2009, all of the common shares of Challenger were exchanged for shares of Canadian Superior Energy Inc. and all creditor claims of Challenger were fully honoured.

Mr. Hibberd was formerly a director of Skope Energy Inc. (a TSX listed oil and gas company), which commenced proceedings in the Court of Queen's Bench of Alberta under the *Companies' Creditors Arrangement Act* (Canada) to implement a restructuring in November 2012, which was completed on February 19, 2013.

C. Kent Jespersen was a director of CCR Technologies Ltd. (“**CCR**”) from May 1999 until February 12, 2010. On December 1, 2010 CCR filed a proposal with the Court of Queen's Bench of Alberta pursuant to the provisions of Part II Division I of the *Bankruptcy and Insolvency Act* (Canada) to restructure and reorganize the financial affairs of CCR. The proposal was approved by the unsecured creditors of CCR on December 22, 2010 and by the Court of Queen's Bench of Alberta on January 13, 2011.

To the knowledge of the Corporation, no proposed director of the Corporation has, within the past ten years, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

Penalties and Sanctions

To the knowledge of the Corporation, no proposed director of the Corporation has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

III. Appointment of Auditors

PricewaterhouseCoopers LLP, Chartered Accountants, have been the auditors of the Corporation since August 1, 2011.

It is the intention of the management designees, if named as proxy, to vote FOR the appointment of PricewaterhouseCoopers LLP, Chartered Accountants as auditors of the Corporation, at a remuneration to be fixed by the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the appointment of auditors. The resolution must be approved by a simple majority approval of the votes cast at the Meeting by the holders of Common Shares. If elected, PricewaterhouseCoopers LLP, Chartered Accountants will hold office as auditors of the Corporation until the next annual meeting of Shareholders or until their successor is duly elected or appointed pursuant to the by-laws of the Corporation, unless their position is earlier vacated in accordance with the provisions of the ABCA or the Corporation's by-laws.

IV. Stock Option Plan

The Corporation's stock option plan (the "**Stock Option Plan**") provides that the Board of Directors may from time to time, in its discretion, grant to the directors, officers, employees, consultants and other personnel (each, an "**Optionee**") of the Corporation and its subsidiaries or affiliates options to purchase Common Shares ("**Options**"). The Stock Option Plan is administered in accordance with the rules of the TSX Venture Exchange ("**TSXV**") and was approved by the Shareholders at the last annual and special meeting of the Corporation, held on September 26, 2013. In accordance with the requirements of the TSXV and the Stock Option Plan, the Shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution approving, ratifying and adopting the Stock Option Plan for the ensuing year in the form attached as Schedule "A" hereto.

The Stock Option Plan provides that the number of authorized but unissued Common Shares that may be issued upon the exercise of Options at any time plus the number of Common Shares reserved for issuance under outstanding incentive stock options otherwise granted by the Corporation shall not exceed 10% of the aggregate number of Common Shares. As at the Record Date, this represents 7,960,076 Common Shares available under the Stock Option Plan. As of the Record Date, Options to purchase a total of 6,380,000 Common Shares were issued and outstanding to directors, officers, employees and consultants of the Corporation.

Unless disinterested Shareholder approval is obtained, Option grants are also subject to the following limitations: (i) the aggregate number of Options granted within a 12 month period to any one (1) Optionee (other than consultants and persons performing investor relations activities) must not exceed 5% of the outstanding Common Shares determined at the date of grant; (ii) the aggregate number of Options granted within a 12 month to any one (1) Optionee who is a consultant must not exceed 2% of the issued and outstanding Common Shares determined at the date of grant; (iii) the aggregate number of Options granted in any 12 month period to all Optionees performing investor relations activities must not exceed 2% of the issued and outstanding Common Shares determined at the date of grant; (iv) the aggregate number of Common Shares reserved for issuance pursuant to Options granted to insiders must not exceed 10% of the issued and outstanding Common Shares; and (v) the aggregate number of Options granted to insiders within a 12 month period must not exceed 10% of the issued and outstanding Common Shares determined at the date of grant.

The Board of Directors determines the price per Common Share and the number of Common Shares that may be allotted to each director, officer, employee and consultant and all other terms and conditions of the Options, subject to the rules of the TSXV. The price per Common Share set by the Board of Directors is subject to minimum pricing restrictions set by the TSXV.

The Stock Option Plan provides that if an Option expires or terminates without having been exercised in full, the Common Shares not purchased become available again under the Stock Option Plan. Options granted under the Stock Option Plan may be exercisable for a period of up to 10 years, and may vest at such times as determined at the time of grant, subject to acceleration in accordance with the terms of the Stock Option Plan. The exercise price must be paid in full on any exercise of Options. Options granted pursuant to the Stock Option Plan may not be transferred or assigned.

If an Option is set to expire during a period when the Optionee is prohibited from exercising such Option or from trading in Common Shares of the Corporation pursuant to its applicable policies in respect of insider trading (a "**Blackout Period**"), the expiration date of such Option shall be extended for a period of ten (10) business days immediately following the end of the Blackout Period. The extension of the expiration date following the Blackout Period applies to all Options outstanding under the Amended Option Plan including all Options granted as of the date of this Information Circular.

Pursuant to the Stock Option Plan, Options must be exercised within a reasonable period following termination of employment or cessation of the Optionee's position with the Corporation, or such other period established by the Board, provided that if the cessation of office, directorship, consulting arrangement or employment was by reason of death or disability, the option may be exercised within one (1) year, subject to the expiry date.

Management of the Corporation believes that it would be in the best interest of the Corporation to adopt the Stock Option Plan to attract and retain key individuals and to align the interest of directors, officers, employees and consultants of the Corporation and its affiliates in the growth and development of the Corporation and its affiliates by providing them with the opportunity through stock options to acquire an increased proprietary interest in the Corporation.

The Stock Option Plan is subject to approval by the TSXV and subject to approval by the Shareholders of the Corporation, as required by the rules of the TSXV. **It is the intention of the management designees, if named as proxy, to vote FOR approval of the Stock Option Plan, unless the Shareholder has specified in its proxy that its Common Shares be voted against the approval of the Stock Option Plan.**

At the Meeting, the Shareholders will be asked to approve the following resolution:

"BE IT RESOLVED THAT:

- (a) the incentive stock option plan of the Corporation, as described in and attached as Schedule "A" to the Information Circular of the Corporation dated November 5, 2014, be and is hereby ratified and approved;
- (b) any one director or officer of the Corporation be authorized to make all such arrangements, to do all acts and things and to sign and execute all documents and instruments in writing, whether under the corporate seal of the Corporation or otherwise, as may be considered necessary or advisable to give full force and effect to the foregoing; and
- (c) the directors of the Corporation may revoke this resolution before it is acted upon without further approval of the Shareholders."

The foregoing resolution must be approved by a simple majority of the votes cast at the Meeting by the holders of Common Shares. If the Stock Option Plan is not approved by the Shareholders, the Corporation will have to consider other methods of compensating and providing incentives to directors, officers, employees and consultants.

STATEMENT OF EXECUTIVE COMPENSATION

For the purpose of this section, a "CEO" or "CFO" means each individual who served as Chief Executive Officer or Chief Financial Officer, respectively, of the Corporation or acted in a similar capacity during the most recently completed financial year. A "Named Executive Officer" or "NEO" means each CEO, each CFO, each of the Corporation's three (3) most highly compensated executive officers, or the three (3) most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year of the Corporation and whose compensation was, individually, more than \$150,000 and any additional individuals (other than the CEO and CFO) for whom disclosure would have been provided except that the individual was not serving as an officer of the Corporation nor acting in a similar capacity at the end of the most recently completed financial year end.

The Corporation's executive compensation program is administered by the Board and the Corporation's Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee is currently comprised of Messrs. Kroontje (Chairman), Rae and McGoldrick, all of whom are independent within the meaning of NI 52-110 (as defined herein). The Corporate Governance and Compensation Committee's mandate includes reviewing compensation matters relating to the executive officers, employees and directors, including the "Named Executive Officers" who are identified in the Summary Compensation Table below, and approving option grants to such personnel and making recommendations to the Board in respect of the remuneration (salary and bonuses) of such personnel.

The Corporate Governance and Compensation Committee has a written mandate which includes assisting the Board in carrying out its responsibilities by reviewing compensation issues in support of the achievement of the Corporation's business strategy and making recommendations to the Board as appropriate. In particular, the Corporate Governance and Compensation Committee is responsible for reviewing and approving corporate goals and objectives, reviewing and evaluating succession and leadership plans for the Corporation's other senior officers. The Corporate Governance and Compensation Committee meets at least once annually to fulfill its mandate.

All of the members of the Corporate Governance and Compensation Committee have direct experience that is relevant to their responsibilities regarding the executive compensation of the Corporation. Mr. Rae has extensive experience in private companies at the management and executive levels. Mr. McGoldrick is a businessman with many years of experience in senior leadership positions. Mr. Kroontje is an entrepreneur with extensive experience acting as a director and senior officer of numerous publicly traded companies.

In making compensation recommendations, the Corporate Governance and Compensation Committee considers each executive's performance and other relevant factors, including the scope of each executive's position and responsibilities, the achievement of corporate goals, the current business environment and anticipated changes, and executive retention and recruitment considerations. The Corporate Governance and Compensation Committee also relies upon comparisons to other TSX Venture Exchange listed oil and gas companies with similar market capitalization in making compensation decisions.

In fulfilling this mandate, the Corporate Governance and Compensation Committee:

- periodically reviews the assessment of the performance of senior officers as provided to the committee by the Chief Executive Officer;
- establishes an overall compensation policy for the Corporation and monitor its implementation, with special attention devoted to the executive group;
- reviews and makes recommendations to the Board regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-

based plans, bonus plans, pension plans, executive stock option plans and grants and benefit plans (including the group life and health program); and

- reviews and approves all compensation arrangements with the senior executives of the Corporation.

As part of its review of the Corporation's compensation policies and practices, the Corporate Governance and Compensation Committee considers the implications of risks associated with the Corporation's compensation policies and practices. The Corporate Governance and Compensation Committee keeps itself apprised of the current compensation policies of other junior international exploration companies and also draws upon the Corporate Governance and Compensation Committee members' backgrounds as executives of other issuers to help identify and mitigate compensation policies and practices that could encourage a Named Executive Officer or individual at a principal business unit or division to take inappropriate or excessive risks. As of the date hereof, the Corporate Governance and Compensation Committee is not aware of any material risks arising from the Corporation's current compensation policies or practices that would be reasonably likely to have a material adverse effect on the Corporation.

The Corporation does not currently have any policies in place that would prevent Named Executive Officers or directors from purchasing financial instruments that might be designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by Named Executive Officers or directors.

Compensation Discussion and Analysis

In assessing the compensation of its executive officers, the Corporation does not have in place any formal objectives, criteria or analysis; instead, it relies mainly on the recommendations of the Corporate Governance and Compensation Committee and Board discussion.

The Corporation's executive compensation program has three principal components: base salary, incentive bonus plan and Options. Together, these components support the Corporation's long-term growth strategy and the following objectives:

- align executive compensation with shareholders' interests;
- attract and retain highly qualified management;
- focus performance by linking incentive compensation to the achievement of business objectives and financial results; and
- encourage retention of key executives for leadership succession.

Salary

Base salaries for all employees of the Corporation are established for each position through Board discussion and management's review of comparative salaries of similar type and size corporations. Individual and corporate performance are also taken into account. It is anticipated that the management of the Corporation shall continue to be compensated in accordance with industry standards.

Bonuses

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performance for executive officers and employees. The payment of bonuses has not yet comprised a significant part of the Corporation's executive compensation program. The Corporate Governance and Compensation Committee has not yet established pre-determined performance criteria for the payment of bonuses.

Option Based Awards

It is intended by the Corporation for Options to continue to be the principal form of long-term variable compensation incentive. The number of Options granted is related to individual performance and are used as incentives to attract, retain and motivate qualified staff. Outstanding Options are considered in granting new Options.

Implementation of a new incentive option plan and amendments to the existing Stock Option Plan are the responsibility of the Corporation's Corporate Governance and Compensation Committee. Additional information about the Corporation's Stock Option Plan may be found under "Particular Matters to be Acted Upon - Stock Option Plan" and "Equity Compensation Plans".

CORPORATE GOVERNANCE

In establishing its corporate governance practices, the Board has been guided by Canadian securities legislation and the TSXV guidelines for effective corporate governance, including National Policy 58-201 – *Corporate Governance Guidelines* ("NP 58-201") and other regulatory requirements such as National Instrument 52-110 – *Audit Committees* ("NI 52-110"). The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of its shareholders, but that it also promotes effective decision making at the Board level.

Mandate of the Board

The Board has responsibility for the stewardship of the Corporation, which is detailed in its written Board of Directors Responsibilities mandate. In carrying out this mandate, the Board meets regularly and a broad range of matters are discussed and reviewed for approval. These matters include selecting senior management, reviewing compensation, establishing standards of business conduct and ethical behaviour, setting expectations and responsibilities of directors, evaluating senior management performance, succession planning, overseeing strategic management and planning, overseeing risk management, adopting a communication policy, receiving feedback from stakeholders, affirming a control environment, overseeing capital management and overseeing the independent inspection/audit group.

The Board strives to ensure that actions taken by the Corporation correspond closely with the objectives of its shareholders. The Board met six (6) times in 2013 to review in depth the Corporation's strategic plan and it reviews the Corporation's resources, which are required to carry out the Corporation's growth strategy and to achieve its objectives.

Composition of the Board

The Board currently consists of eight directors. Of these, six are independent directors as defined under NP 58-201. Under NP 58-201, a director is independent if he or she has no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship that could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, certain individuals are deemed, for the purposes of NP 58-201, to have material relationships with the Corporation, including any individual who is, or has recently been, an employee or executive officer of the Corporation, and an individual whose immediate family member is, or has recently been, an executive officer of the Corporation. Under this definition, the Board has determined that the six independent directors are Dr. James W. Buckee, Martin P. McGoldrick, C. Kent Jespersen, Al J. Kroontje, Donald J. Rae and Michael Hibberd. Mr. Rae and Dr. Buckee will not be standing for re-election at the Meeting.

For the purpose of NP 58-201, Earl Scott and Robert J. Iverach are not considered to be independent directors. Earl Scott, President and Chief Executive Officer, is not considered an independent director because he is an executive officer of the Corporation. Robert J. Iverach is not considered an independent director because he is Counsel with Burstall Winger Zammit LLP, the solicitors of the Corporation.

The size of the Corporation is such that all of its operations are conducted by a small management team. The Board considers that management is effectively supervised by the independent directors on an informal basis because the independent directors have regular and full access to management. The Board is able and does meet regularly without the presence of management to ensure the independence of the Board from management. Additionally, the independent directors are also able to meet at any time they consider necessary without members of management or non-independent directors being present.

Further supervision is performed through the Audit Committee, which is composed of a majority of independent directors.

Position Descriptions

The Board has not developed written position descriptions for the Chief Executive Officer, the Chairman of the Board or the chair of each committee of the Board.

Orientation and Continuing Education

The Board has not developed a formal orientation and training program for newly appointed directors.

The Board encourages continuing education for the Corporation's employees, management and directors. Directors are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance, to attend related industry seminars and to visit the Corporation's operations. Board members have full access to the Corporation's records.

Ethical Business Conduct

The Board endorses management's initiatives to operate with sound integrity and ethical values and promotes this conduct at Board meetings. The Board usually meets at least once a quarter and typically more often. In addition, the Board has adopted a written code of conduct (the "**Code of Conduct**") which addresses the Corporation's continuing commitment to integrity and ethical behaviour. The Code of Conduct establishes procedures that allow directors, officers and employees of the Corporation to confidentially submit their concerns to the Chairman of the Corporation regarding questionable ethical, moral, accounting or auditing matters, without fear of retaliation. A copy of the Code of Conduct is available to review at the head office of the Corporation during business hours. Compliance with the Code of Conduct is monitored primarily through the reporting process within the Corporation's organizational structure. A whistleblower program is in place for employees to report violations of ethical conduct. To date, no issues have been reported through the Corporation's whistleblower program.

The Corporation intends to resolve all conflicts of interest in accordance with the provisions of the ABCA in order to ensure directors exercise independent judgment in considering transactions and agreements in which a director or officer has a material interest.

The ABCA provides that a director or officer shall disclose the nature and extent of any interest that he or she has in a material contract or material transaction, whether made or proposed, if the director or officer:

- is a party to the contract or transaction;
- is a director or an officer, or an individual acting in a similar capacity, of a party to the contract or transaction; or
- has a material interest in a party to the contract or transaction,

and shall refrain from voting on any matter in respect of such contract or transaction unless otherwise provided under the ABCA.

Nomination of Directors

The Board is responsible for nominating members for election to the Board and for filling vacancies on the Board that may occur between annual meetings of members based on the recommendations of the Corporate Governance and Compensation Committee, which is composed entirely of independent directors. The Board shall identify and review possible candidates for Board membership consistent with criteria approved by the Board, including the appropriate size of the Board, what competencies and skills the Board as a whole should possess and what competencies and skills each existing director possesses, and annually recommend qualified candidates for a slate of nominees to be proposed for election to the Board at the annual meeting of the Corporation's shareholders. The Board shall consider the appropriate size of the Board with a view to facilitating effective decision making. In the event of a vacancy on the Board between annual meetings of the Corporation's shareholders, the Board may identify, review and recommend qualified candidates for Board membership to the Board for consideration to fill such vacancies, if the Board determines that such vacancies will be filled.

When formulating these recommendations, the Board shall seek and consider advice and recommendations from management, and may seek or consider advice and recommendations from consultants, outside counsel, accountants or other advisors as it or the Board may deem appropriate.

Remuneration of Directors and Chief Executive Officer

With the exception of the Chairman of the Board, the non-employee directors of the Corporation were paid annual retainer fees of \$35,000 during the financial year ended December 31, 2013 and are reimbursed for all reasonable expenses incurred. Non-employee directors are entitled to participate in the Corporation's Stock Option Plan. The compensation of directors will be reviewed by the Board on an annual basis, considering the levels of compensation paid to directors of public corporations of similar size. The Chairman of the Board was paid an annual retainer of \$82,500 during the financial year ended December 31, 2013 and is reimbursed for all reasonable expenses incurred.

The compensation of the Chief Executive Officer of the Corporation is reviewed by the Corporate Governance and Compensation Committee and the Board on an annual basis. The Board considers the Chief Executive Officer's performance and other relevant factors, including the scope of his position and responsibilities, the current business environment and the achievement of corporate goals. The Chief Executive Officer is not present for certain portions of director meetings when the Board discusses the performance or compensation of the Chief Executive Officer.

Assessments

The Board does not believe that formal assessments would be useful at this stage of the Corporation's development. The Board conducts informal annual assessments of its effectiveness, the individual directors and each of its committees. The Chairman of the Board is charged with ensuring that the Board carries out its responsibilities and that these responsibilities are clearly understood by all of its members. The Chairman also ensures that the Board can function independent of management; that the necessary resources and procedures are available or in place to support its responsibilities and that the appropriate functions are delegated to the relevant committees. The Chairman is responsible for overseeing and setting the Board agenda, the quality of information sent to directors and the in camera sessions held without management. The Chairman is also responsible for ensuring a process is in place for an annual performance review of the Chief Executive Officer, which is conducted by the Board, and for senior management succession planning matters.

Committees of the Board of Directors

The Board has established three board committees: the Audit Committee, the Corporate Governance and Compensation Committee and the Reserves Committee. The information below summarizes the functions of each of the committees in accordance with their charters.

Audit Committee

The Audit Committee periodically assesses the adequacy of procedures for the public disclosure of financial information and review on behalf of the Board, and reports to the Board the results of its review and its recommendations regarding all material matters of a financial reporting and audit nature, including, but not limited to:

- oversight of the nature and scope of the annual audit;
- oversight of management's reporting on internal accounting standards and practices; and
- review of financial information, accounting systems and procedures, financial reporting and financial statements.

The primary objectives of the Audit Committee are as follows:

- assist directors in meeting their responsibilities (especially for accountability) in respect of the preparation and disclosure of the financial statements of the Corporation and related matters;
- provide better communication between directors and external auditors;
- enhance the external auditor's independence;
- increase the credibility and objectivity of financial reports; and
- strengthen the role of the outside directors by facilitating in-depth discussions between directors on the Audit Committee, management and external auditors.

The Audit Committee ensures satisfactory procedures for (i) receipt, retention and treatment of complaints received by the Corporation regarding any accounting, internal accounting controls or auditing matters and (ii) the confidential anonymous submission of concerns by employees regarding questionable accounting or auditing matters. The Board is kept informed of the Audit Committee's activities by a report delivered at each regular meeting of the Board of Directors.

The Audit Committee recommends the appointment and terms of engagement of the external auditor annually and reviews and evaluates the external auditor. The external auditor reports directly to the Audit Committee. In addition, the Audit Committee pre-approves non-audit services undertaken by the external auditor, and on an annual basis reviews and discusses with the external auditors all significant relationships such auditors have with the Corporation to determine the auditors' independence.

The Audit Committee has direct responsibility for overseeing the work of the external auditor engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services, including the resolution of disagreements between the external auditor and management.

The Audit Committee meets at least once per financial quarter to fulfill its mandate. A copy of the Audit Committee Charter is attached as Schedule "B" hereto.

Pre-approval Policies and Procedures

Any proposed audit and permitted non-audit services (as identified by the Audit Committee at the time the annual audit engagement is approved) to be provided by the external auditor to the Corporation or its subsidiaries must receive prior approval from the Audit Committee. The Corporation has not adopted specific policies and procedures for the engagement of non-audit services. The Audit Committee will review the engagement of non-audit services as may be required.

The Chief Financial Officer shall act as the primary contact to receive and assess any proposed engagements from the external auditor. Following receipt and initial review for eligibility by the primary contact, a proposal would then be forwarded to the Audit Committee for review and confirmation that a proposed engagement is permitted. In the majority of such instances, proposals may be received and considered by the Chair of the Audit Committee (or such other member of the Audit Committee who may be delegated authority to approve audit and permitted non-audit services), for approval of the proposal on behalf of the Audit Committee. Subject to Exchange Policies, the Options granted under the Plan together with all of the Corporation's other previously established stock option plans or grants, shall not result at any time in:

- (a) the aggregate number of Common Shares reserved for issuance pursuant to Options granted to Insiders exceeding 10% of the issued and outstanding Common Shares;
- (b) the grant to Insiders within a 12 month period, of an aggregate number of Options exceeding 10% of the issued and outstanding Common Shares determined at the date of grant;

Appropriate adjustments shall be made as set forth in Section 15 hereof, in both the number of Common Shares covered by individual grants and the total number of Common Shares authorized to be issued hereunder, to give effect to any relevant changes in the capitalization of the Corporation.

If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased Common Shares subject thereto shall again be available for the purpose of the Plan.

7. Option Agreement

A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares subject to option, the exercise price and any other terms and conditions approved by the Board of Directors, all in accordance with the provisions of this Plan (herein referred to as the "**Stock Option Agreement**"). The Stock Option Agreement will be in such form as the Board of Directors may from time to time approve, and may contain such terms as may be considered necessary in order that the Option will comply with any provisions respecting options in the

income tax or other laws in force in any country or jurisdiction of which the Optionee may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Corporation.

8. Option Period and Exercise Price

Each Option and all rights thereunder shall be expressed to expire on the date set out in the respective Stock Option Agreement, which shall be the date of the expiry of the Option Period (the "**Expiry Date**"), subject to earlier termination as provided in Sections 11 and 12 hereof, and subject to extension as provided in Section 10 hereof.

Subject to Exchange Policies and any limitations imposed by any relevant regulatory authority, the exercise price of an Option granted under the Plan shall be as determined by the Board of Directors when such Option is granted and shall be an amount at least equal to the Discounted Market Price of the Common Shares.

9. Exercise of Options

An Optionee shall be entitled to exercise an Option granted to him at any time prior to the expiry of the Option Period, subject to Sections 11 and 12 hereof and to vesting limitations which may be imposed by the Board of Directors at the time such Option is granted. Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

Common Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Common Shares pursuant thereto shall comply with all relevant provisions of applicable securities law, including, without limitation, the 1933 Act, the *United States Securities and Exchange Act of 1934, as amended*, applicable U.S. state laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Common Shares are quoted at any given time. As a condition to the exercise of an Option, the Corporation may require the person exercising such Option to represent and warrant at the time of any such exercise that the Common Shares are being purchased only for investment and without any present intention to sell or distribute such Common Shares if, in the opinion of counsel for the Corporation, such a representation is required by law.

10. Blackout Extension Period

If an Option is to expire during a period when the Optionee is prohibited by the Corporation from exercising such Option or from trading in Common Shares of the Corporation pursuant to its applicable policies in respect of insider trading (a "**Blackout Period**"), the expiration date of such Option shall be extended for a period of ten (10) business days immediately following the end of the Blackout Period. This Section 10 applies to all Options outstanding under the Plan.

11. Ceasing to be a Director, Officer, Employee or Consultant

Unless otherwise determined by the Board of Directors, and subject to the Exchange Policies, if an Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries for any reason other than death, the Optionee may, but only within a reasonable period, to be set out in the applicable Stock Option Agreement at the time of the grant, following

the Optionee's ceasing to be a director, officer, employee or consultant (or 30 days in the case of an Optionee engaged in Investor Relations Activities) or prior to the expiry of the Option Period, whichever is earlier, exercise any Option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the Option at the date of such cessation. For greater certainty, any Optionee who is deemed to be an employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an employee for the purposes of the Plan.

12. Death of Optionee

In the event of the death of an Optionee, the Option previously granted to him shall be exercisable within one (1) year following the date of the death of the Optionee or prior to the expiry of the Option Period, whichever is earlier, and then only:

- (a) by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative; and
- (b) to the extent that the Optionee was entitled to exercise the Option at the date of the Optionee's death.

13. Optionee's Rights Not Transferable

No right or interest of any Optionee in or under the Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution, subject to the requirements of the Exchange, or as otherwise allowed by the Exchange.

Subject to the foregoing, the terms of the Plan shall bind the Corporation and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

14. Takeover or Change of Control

The Corporation shall have the power, in the event of:

- (a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or
- (b) any change in control of the Corporation,

to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Stock Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Corporation shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Corporation prior to the completion of such transaction.

15. Anti-Dilution of the Option

In the event of:

- (a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Corporation shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as

would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;

- (b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of Common Shares, the number of Common Shares deliverable by the Corporation on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change;
- (c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Corporation with or into any other corporation (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereof, he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustments shall be made successively whenever any event referred to in this section shall occur. For greater certainty, the Optionee shall pay for the number of shares, other securities or property as aforesaid, the amount the Optionee would have paid if the Optionee had exercised the Option prior to the effective date of such subdivision, redivision, consolidation or change of the Common Shares or such reclassification, consolidation, amalgamation, merger or transfer, as the case may be.

16. Costs

The Corporation shall pay all costs of administering the Plan.

17. Termination and Amendment

- (a) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Corporation or any Optionee whose Option is amended or terminated, in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any relevant regulatory authority, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such regulatory authority.
- (b) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 17(a) hereof, subject to the approval of the Exchange or any relevant regulatory authority and the approval of the shareholders of the Corporation if required by the Exchange or such regulatory authority. Subject to Exchange Policies, disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an Insider of the Corporation at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof.

- (c) The Plan, and any amendments thereto, shall be subject to acceptance and approval by the Exchange. Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless and until such approval and acceptance are given.

18. Withholding Tax

Upon exercise of an Option, the Optionee will, upon notification of the amount due and prior to or concurrently with the delivery of the certificates representing the Common Shares, pay to the Corporation amounts necessary to satisfy applicable withholding tax requirements or will otherwise make arrangements satisfactory to the Corporation for such requirements. In order to implement this provision, the Corporation or any related corporation will have the right to retain and withhold from any payment of cash or Common Shares under the Plan the amount of taxes required to be withheld or otherwise deducted and paid in respect of such exercise.
